

THREE RELATED IMAGES 2024

In this competition, members showcase a portfolio of three images which are linked in some way. For example, the portfolio may tell a story using a sequence of images; the images may provide different perspectives on one topic, or the component images may have a similar theme, composition, tone, colour palette etc.

This competition is traditionally judged by a past or current president of the club. The winner receives the Stewart Parker Perpetual Trophy at the end of year dinner.
